Sort by relevance | Sort by date (new first) | Sort by date (old first)

Establishing authenticated network connections

US Pat. 7069438 - Filed Aug 19, 2002 - Sowl Associates, Inc.

... authentication data form each other that are part of a post-connection ...
completion of a connection establishment phase of a TCP/IP protocol used for ...

Method for seamless networking support for mobile devices using serial ...

US Pat. 6651105 - Filed Nov 12, 1999 - International Business Machines Corporation

If authentication fails, then the tunnel session establishment procedure 60 ...
the method includes receiving the PPP connection establishment frame at the ...

Apparatus for generating text data on the basis of speech data input from ...

US Pat. 5956681 - Filed Nov 6, 1997 - Casio Computer Co., Ltd.

The "sequence number" field of the second word of the TCP header shown in FIG.
... 7B) is determined using a protocol called IP control protocol ...

Authentication of termination messages in telecommunications system

US Pat. 7046992 - Filed Apr 2, 2002 - Telefonaktiebolaget LM Ericsson (publ)

In the illustrated example, the connection establishment message is a resource
control (RRC) connection establish message. The authentication release key is
...

Access method through radio mobile communication system

US Pat. 6321094 - Filed Jan 30, 1998 - NEC Corporation

The processor 201 performs the operation control of the authentication ... When
receiving the connection establishment request signal from the mobile ...

Encryption and decryption in communication system with wireless trunk

US Pat. 6097817 - Filed Dec 10, 1997 - Omnipoint Corporation

For normal calls, the mobility management connection establishment procedure may
... (MM) protocol, and are based on the GSM A3/A8 authentication mechanism. ...

Pluggable authentication and access control for a messaging system

US Pat. 6954792 - Filed Jun 29, 2001 - Sun Microsystems, Inc.

In this case, client-side authentication protocol handler 102C and ... At the
beginning of connection establishment, the server 110 and client 100 may ...

Process and device for authenticating subscribers to digital exchanges

US Pat. 6317530 - Filed Dec 8, 1997 - Deutsche Telekom AG

The subscriber's connection establishment and service information is encoded
either by the authentication device 40, 50 itself or by an additional security
...

US Pat. 7069438 - Filed Aug 19, 2002 - Sowl Associates, Inc.

... authentication data form each other that are part of a post-connection ...
completion of a connection establishment phase of a TCP/IP protocol used for ...

Session and transport layer proxies via TCP glue

US Pat. 5941988 - Filed Jan 27, 1997 - International Business Machines Corporation

For socket $\pm B$, glue iss equals rev nxt and glue iss equals snd nxt. During the
connection establishment and tear down phase, the end points of two TCP ...

Pseudo network adapter for frame capture, encapsulation and encryption

US Pat. 6101543 - Filed Oct 25, 1996 - Digital Equipment Corporation

3 node A opens a socket interface associated with a TCP connection with node B.
Following establishment of the reliable transport layer connection in the ...

[APPLICATION] Authentication for transmission control protocol

US Pat. 10733666 - Filed Dec 10, 2003 -

An apparatus for providing authentication in a connection establishment process
of a ... of sending a standard transmission control protocol (TCP) request. ...

File server system using file system storage, data movers, and an exchange ...

US Pat. 6324581 - Filed Mar 3, 1999 - EMC Corporation

Connection establishment is done using the NETBIOS session service, ... multiple
sessions inside the TCP connection between the Forwarder and the client. ...

Deterministic user authentication service for communication network

US Pat. 6070243 - Filed Jun 13, 1997 - Xylan Corporation

Means 410 may encrypt information and decipher encrypted information transmitted
during the secure connection establishment process. TCP/IP based flows ...

File server system using connection-oriented protocol and sharing data sets ...

US Pat. 6453354 - Filed Mar 3, 1999 - EMC Corporation

Connection establishment is done using the NETBIOS session service, ... multiple
sessions inside the TCP connection between the Forwarder and the client. ...

Apparatuses and mobile stations for providing packet data communication in ...

US Pat. 5590133 - Filed Dec 9, 1994 - Telefonaktiebolaget LM Ericsson
